

HOMEWORK

Homework expectations are stuck into your child's reading records on the first page. These are to have a go at a:

- Hardcopy/paper sheet
- Spellings on Doodle Spell
- Timetables on Doodle Times Tables - extra practise is great also
- Maths or English activity on Doodle
- Read at least 3 times a week

DAYS TO REMEMBER

PE – **Monday** and **Friday**

Your child should have both school shoes and trainers in school on PE days to help keep our school clean.

Outdoor Learning – Every third **Wednesday**

Your child should have wellies and a warm coat, particularly when the weather is colder.

VOLUNTEER

Do you have a little spare time? If anyone would like to listen to readers or help out with school activities, please do get in touch with the school office. We would love to have you.

COMMUNICATION

If you have any queries, feel free to speak to me before school or at pick up. If you feel a meeting would be more beneficial, please arrange a time which would be best suited.

WELCOME TO
KESTRELS CLASS

2026 - 2027
YEAR 6

TRIPS

National Waterways Museum – Thursday 1st October 2026

Literature festival – Thursday 15th October 2026

Residential – Wednesday 9th June – Friday 11th June 2027

Please contribute towards the cost of the trips if you can, to enable us to continue to offer a variety of experiences for your child.

READING

Children need to record all their reading in their reading records, AT LEAST 3 times a week. Reading records need to be in school every day. Children in Owls Class have the responsibility of changing their book themselves.

Reading bands will be assessed based upon the individual child and their progress.

ASSESSMENT

Each full term, we do one assessment week where the children will sit NFER assessment papers. These will be one arithmetic, two reasoning papers, one reading paper and one SpAG paper. In Year 6, we will also practice past Year 6 SATs papers.

SATS

SATs week will be the week commencing Monday 10th May through to the Thursday. A fantastic way you could help at home is by using Maths Bot KS2 arithmetic and reasoning questions where you can generate new ones, they can show you how to solve the question and provide you with the answers. <https://mathsbot.com/primaryMenu>
