

Dear Parents

It has been a fantastic week - the hubbub of activity throughout the school is electric.

The Courage display is now in a prominent position in the hall – do take a look if you have a chance. Last Monday we talked about the courage to speak out and began with looking at our friends under the heading, “Imagine, if you will a world in which mirrors reflect your character instead of your face.”

This resulted in some very astute comments about how we really see our friends – magic moments!

On Tuesday, Class 3 took part in the KNex challenge and were tasked with building a playground. There were some amazing examples of creativity from the whole class and there could have been numerous winners from the final models.

On this occasion Jacob Croft and Charlie Mason were selected as winners. They will represent the School in the next round which will be announced in due course. Well done to both of them.
