

Dear Parents,

As we enter the last two weeks of term the calendar is looking very busy. Next week in addition to parents' meetings we are taking part in the second round of the wildlife quiz, a tag rugby competition and the mock trial for Year 4 & 5. The following week we have the Easter egg hunt, a science day, Class 2's trip to Nature in Art and the Easter Service at St. Giles' Church – it is going to be hectic!

Parents' Afternoon – Monday 19th March

I am glad that most of you have booked up slots already, these are very important meetings and we will be ensuring that all parents have an opportunity to meet class teachers. On this occasion we would like children in Class 2 & 3 to also attend with parents to ensure that everybody is involved in the process. We would also like to share with you our new initiative regarding reading which will really benefit the children's progress.

Please may I remind you how important it is to keep to the time allocated at these events.

Mock Trial, Thursday 22nd March

Year 4 & 5 are busily preparing for the trial on Thursday. We are certainly looking forward to seeing their costumes and poster designs in addition to hearing their persuasive arguments. Parents are welcome to watch the event in Cirencester.

Science Day, Tuesday 27th March

We are hosting a house science competition featuring an egg drop. Next week we will be allocating children into teams but it would be a good idea to begin to think which resources would be useful...

Class 1's trip to the Police Control Centre

Class 1 had a very exciting trip to the police control centre. They discovered how 999 calls worked, how policing has changed and had a view of all the CCTV cameras in Gloucester. A very exciting and rewarding trip.
