

Dear Parents

Welcome to the Summer term! Always the most exciting and busy term of the year. We look forward to a plethora of activities such as the two residential trips, sports day, the summer fayre, class trips, the swimming gala, athletic matches and so much more. The children are also planning to organise a sponsored run and a talent show.

This term we welcome Evie and Scarlett Forrester from Singapore joining Class 2 and 3 respectively and Alisa Ivanova joining Class 3 from Derbyshire: she will be joining us on the 30th April. We are also delighted to have our full quota signed up for September to join reception – a full school is testament to our growing reputation.

Year 2 and 3 entertained us with a recorder concert this week following their 10-week crash course in the instrument. The concert was certainly fun with a huge amount of enjoyment and creativity - music is such an important part of a modern curriculum.

In The Net

This week Year 3 and 4 were enthralled on Monday by the play "In the Net", which is an interactive play about Internet safety. The play sends a good message to children enabling them to stay safe on-line.

School Lunches

I have included the lunch menu for the term, in addition to posting it on the school website. We have a very good uptake on school lunches and they are also regularly eaten by the school staff which proves how good they are! They are certainly a cheaper and often more nutritious alternative to a packed lunch. Please continue to pass on any comments you have about food at school.

The children also have the option to have fruit at breaktime and a snack in LINKS at the end of the day.
