Christian Value Thankfulness

Dear Parents, Staff and Governors,

Welcome to the start of the academic year. It is great to be back and to welcome 13 new children to our utopic existence. It has been lovely to see how quickly the new children have been integrated into the school community and made to feel welcome: I hope the new parents' feel the same!

It has been a busy summer with the new logo now prominent on signage throughout the school. All new uniform ordered via Brigade will also bear the new logo which is really exciting. It will be a gradual change over so there is no immediate urgency to replace items! We have also installed white boards outside classrooms to aid communication which I hope you will find useful. Class 2 has been painted and tables replaced (sourced from the donations from Class 2's play last term). All external doors are now secure using fob entry and a new telephone system will be installed within weeks.

It is always a consistent approach that makes the school run smoothly so I would like to thank you all in advance for your excellent time keeping, labelling of school clothes, correct uniform, daily reading with your child, regular communication with parents and fostering the love of learning and life. All children can ask for is good role modelling and all we can ask for is a partnership with you based on these principles.

It has been lovely to have seen most of last terms Year 6 this week as they embark on their new journeys. We wish them well.

Important Dates

Friday 14th September, 5pm

Coberley Church of England Primary School

Coberley Morning Run

22 children, 2 teachers, 6 parents and Peanut the dog marked the first run of the year. We have a slight variant on the route this year but the distance and breathtaking scenery remains the same. We leave school on Fridays at 8.20am – everyone is welcome. Children should arrive at school in suitable running clothes and should have a change of clothing (particularly socks) in the event of bad weather.

Lunchtime Clubs

Lunchtime clubs run by the staff will begin next week. These will be organised internally by the staff.

Afterschool Clubs

These will also begin next week:

Mondays 3pm-4pm: Sports Club (Mr Flounders) – Years 4-6

Tuesday 3pm-4pm: Sports Club (My Bynorth) – Years 1-3

LINKS continues to run everyday and there are often activities run within it, for example Ipads on Tuesday and Art on Wednesday.

If you commit to a club we would expect children to honour the commitment.

We will shortly be looking at offering a wider range of after school clubs which could include dance, archery and martial arts. Further details to follow.

Key Dates

The term dates for the school year, including INSET days, are on the school website. Attendance was excellent last year so please continue to support your children by observing term dates to minimise disruption.

Friday 14th September at 5pm

Welcome BBQ – a perfect start to the school year. Food and drink available to purchase.

Fundraising Total

£50

Coberley Village Fete
£50
