Dear parents, staff and governors

Firstly, we have no news from Mrs Black as yet! It has been another very busy week with so much achieved. Each year the children make their own school rules and this year they are really positive showing how the children want to be rather than what they shouldn't do – a wonderful example of how kind and caring the children are.

The Year 6 met their new Reception buddies this week and “interviewed” them to find out all about their hobbies, families and favourite things. The buddy system is really strong and the Year 6 are wonderful role models for the younger children.

The Year 6 also had the opportunity to showcase their vision for the school houses with fantastic speeches. Each child voted and I was thrilled to see the quality of the speeches and how close each vote was. In light of the enthusiasm and keenness to be involved we have decided to give all the Year 6 key jobs this year with particular focus on the library, eco-school, school council, house competitions and worship leaders. I anticipate that I will be very impressed.

I would also like to wish all the children in Year 6 luck as they take their grammar school tests tomorrow morning.

It was great having over 20 runners this morning for our usual mile over the hills. The run is every Friday, whatever the weather, and everybody is invited including parents, grandparents, younger siblings and four-legged friends. On wetter runs, please ensure the children have spare clothes and trainers.

Clubs started in earnest this week. We will have a list for each activity so please ensure that if your child is signed up that they attend; this helps to provide consistency and stickability! We are always on the lookout for new activities so if you are keen to help or know of a worthwhile activity please let Mrs George know.

There are still plenty of spaces in Ballet if any child from Year 1 or Year 2 would like to join. Unfortunately, if there is not enough interest we will be unable to run the class.

Harvest Festival – Friday 20th September 1.45pm at St Giles' Church

Last year, Class 2 supported the local food bank as part of their charity awareness and we would like to continue to support them this year at Harvest Festival. Please see the attached list of suggested donations which can be bought into school any day next week. The service will start at 1.45pm (everybody is welcome) at St Giles' Church, Coberley. The service should finish at 2.30pm so children can be picked up then or at 3pm (or 4pm) from the school as normal. Please ensure your child knows where they will be picked up.

Swimming – Class 2 Monday 16th September

A reminder that swimming starts on Monday for Class 2. Please ensure they bring swimming kits to school and that they have a warm coat. If you have made payment via BACS, please could you let Mrs George know.

Second Hand Uniform Sales

Mrs Kerrigan has kindly offered to hold monthly second hand uniform sales to raise money for the school. This is an opportunity for you to donate any uniform that your child has grown out of back to the school (new logo only please!). We will advise you of the date of the first sale nearer the time.

The Big Bash

Please find attached details of an event happening at the Ebworth Centre next weekend.
