Dear parents, staff and governors

We were thrilled this week with the safe arrival of Mrs Black's baby – a boy named Alfie. We look forward to seeing them very soon and welcoming him to our Coberley community.

It was wonderful seeing so many of you at our Harvest festival this afternoon and a huge thank you for all the kind donations to Cheltenham's Food Bank. It is always lovely to see the new reception take to the stage and perform in the beautiful St Giles' Church. I look forward to seeing you all at the welcome BBQ next week.

May I urge you all to take care parking. I would be most grateful if you parked at the bottom of the hill past the village notice board. This ensures it is safe for children to walk unaccompanied up the hill to school. New white lines were painted by the council in the summer and I must stress it is illegal to park on them. It is also imperative that we maintain our good relationship with the village.

This week the children were all given a login and password to trial Doodle Maths. This is a clever maths program which we are thinking of using to replace Sumdog. We would really like you to trial this app and give us any feedback before we make a decision. It also has a sister app looking at spelling and English.

A local secondary school has contacted me asking for any second hand trainers. There are many children who simply do not have them for financial reasons, so they are asking for any old trainers from size 3 up to allow the children to participate fully in PE lessons at school. If you have any you could donate, please bring them to school.

Rags2Riches Clothes Collection – Monday 18th November

We have organized a clothes collection by Rags2Riches on Monday 18th November. If you are having a clear out, please keep any dry, reusable clothing, paired shoes, belts and handbags, jewellery and accessories.

Collection bags and more details will be sent home in the next few weeks. This is an easy way to help us raise funds for the school.
