Dear parents, staff and governors

It has been a really concerning week for us but I must start by thanking you all for your common sense and calm response to the current worldwide situation.

We are continuing to take hourly advice from the Government and I am in regular contact with other headteachers regarding the local situation. The current advice is to stay home if you have a fever or persistent cough, have been to an infected area or have been in contact with somebody with the virus. I am happy to report our attendance thus far has been magnificent.

Yesterday, I sent home an exercise book with all the children. These books can remain at home and should be used in the event of absence or school closure. The books should alleviate your need to photocopy worksheets, which can be viewed online and answered in the books. We have also set up Google Classroom for Class 3 which is a really innovative way of working. We will be explaining how this works initially with the children.

If you have no internet provision at home please let me know so we can make alternative plans. Work will be posted on the school website, under the Our School tab.

Mrs Black will be returning to work on Monday 30th March. We are very much looking forward to her return. We are delighted that Miss Martin, who has been an exceptional replacement in Class 1, will remain with us next term in order to complete her teacher induction year. She will be teaching a mixture of all the classes, providing her with a wealth of primary experience.

Congratulations

Huge congratulations to Isla who passed her grade 3 piano exam with merit. Well done!
