

Dear Parents

It's been another busy week at Coberley. The weather hasn't prevented us from being outside in the frosty conditions. I'm so glad all the children have appropriate clothing to keep them warm and the range of warm hats on display is fantastic!

Mr Winder has settled in very well in Class 3 and the children have made him extremely welcome. Next week as part of the launch of the new RE scheme across Gloucestershire we are having RE week focusing on the creation story. We have four practical sessions planned for all the classes in conjunction with our Cluster schools. I will present more details about the scheme when it is fully produced.

Next week I will be sending out letters regarding interventions. We are incredibly fortunate to be able to provide provision for children with specific needs and those who simply need a boost in certain areas of the curriculum. Thank you for all your support.

Weekly Winners

Zara: Isla Fujioka & Evie Macfarlane

Leafy: Allegra Watchorn

Patch: Cassie Smithson

Percy: Holly Delport

Class One are setting up a Bicycle Repair Shop in their outside area. They would be grateful for any old tools such as spanners, socket sets, repair kits etc. Please let Mrs Black know if you are able to help.

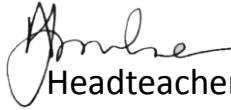

Mrs Black would also be grateful for any unwanted dressing up clothes or props which would be suitable for the Class One children to use in their Space Station. Many thanks in advance for your help.

Sainsbury's Vouchers

Sainsbury's will be issuing their Active Kids vouchers again from 25th January. Last year we collected enough vouchers to 'buy' the giant Connect4 for the playground and Sainsbury's gift cards which were spent on ingredients for cookery.

Please can you collect vouchers for us again this year so that we can buy more equipment for the children? Vouchers can be handed in to the office or posted in the box in the main entrance.

Thank you very much.
