

Dear Parents

This week we have had an RE week focusing on the creation story. The extra time has allowed children to start with the texts but continue to explore the creativity of creation with a range of tasks such as jelly making, model making and photo montages. Pulling the topic together the children have explored the beauty of nature and the important role we must play protecting our world: it has been tremendous fun.

Class 2 had an amazing trip to Cadbury World as part of their topic, "Scrumdiddlyumptious". The day included a visit to the 4D cinema, a talk about market research, brands and packaging and chocolate tasting!

Thank you all for your interest in the role of parent governor. The role of a governor is hugely rewarding in a small school as we strive for excellence in all areas with often lots of hurdles to jump. Help, therefore, is always welcome. I am thrilled that Mrs Powell was elected to be parent governor and she joins Mrs Hart, our other parent governor.

I am also delighted that all the positions for organizing events has been filled. Our next FOCS event is the Class 1 cake sale after half term.

Unfortunately there have been a few incidents of poor behaviour in the last few weeks. Please be assured we treat all anti-social behaviour very severely and we encourage all children to report any incidents so we can help. It is a learnt skill to resolve conflict and it often takes time and considerable patience for children to be able to solve disputes without adult intervention.

It was lovely to see the court judges back in school this week as Year 5 and 6 begin preparation for their mock trial court room drama. This year we are the prosecution in an arson case.
