

Dear Parents

Welcome to the end of another extremely busy week. We have been awash with drama, sport and extra activities which have been extremely worthwhile and successful.

Last week we were unable to produce a newsletter although I was pleased how many people noticed! Newsletters are a valuable source of information for news, events and notices.

I am thrilled that Fabhia Chowdhury will be joining us on Monday 27th March as the new Administration Assistant and Links Coordinator. She will be assisting in the office and in the classroom during the day. I know you will all make her extremely welcome.

Thank you to Class 1 for a truly scrumptious cake sale. Thank you particularly to Mrs Custard and Mrs Delport for helping to organise and clean up! Luckily the remaining cakes seemed to have been donated to the staff room!

Parents' Evening, Monday 20th March

I would like to welcome you all to parents' evening on Monday. This is an invaluable time to talk to teachers about progress and areas to improve. It is all about the children's progress so we would like the children in Class 2, 3 and 4 to attend with you.

During the afternoon the children will be outside for a games afternoon so they can be collected before your appointment.

Year 6 KS2/KS3 Transition Project

Last Friday, Year 6 went to Birdlip for a geography project about India. They worked with children from Cranham, Birdlip and Ribston Hall schools. The extremely successful day focused on fact finding, creating Rangolis with coloured sand and creating an Indian dance based on a folk tale.

Year 5 and 6 Courtroom Drama

The children were the prosecutors this year in a very interesting case regarding arson. It was a tricky case to win but Alistair Macfarlane and Oliver Fujioka managed to trip up the defenders so we were awarded the victory.

The children worked really hard on their parts and wore appropriate outfits befitting their roles.

Class 2's Play

Class two were simply magnificent last week performing Charlie and the Chocolate Factory. The children learnt a huge amount of lines and songs, which was incredible. The costumes and set were amazing. A huge thank you to Miss Booth and Mrs Eccles for their hard work.

Cross Country

We have had some great cross country results in the last couple of week. Allegra Watchorn and William Elwes did particularly well at Birdlip, but there were some stellar performances from all the competitors. Special mention to Finn Shakespeare who had to run his race twice!

Red Nose Day – Friday 24th March

Red Nose Day is next Friday, 24th March. Children can come to school in their own clothes and wear something red for a minimum donation of £1.00.
