

Dear parents

Thank you to all the parents and children who came to the welcome BBQ last week. It was a friendly and relaxed start to the term and a good chance to welcome new families into our community. Thank you to Freddie and Amelia Elwes, Sian and John Macfarlane and Sophie Fisher for organising the event and to everyone who helped serving food and clearing away on the night.

The next event on the horizon is our DIY day tomorrow. Any help from 10am onwards would be greatly appreciated. There is plenty of painting and gardening to be done!! Please bring paint brushes and wear old clothes!

Please can I remind you to all park sensibly. Going to school in such an idyllic village is a joy but please be careful of pedestrians and respect our neighbours property.

Next Friday morning Year 6 are organising a Macmillan coffee morning for parents and the local community. Please do stay and enjoy a morning coffee and cake. If you are able to help by baking cakes for us to sell, please let Mrs George know.

The school is a hub of activity at the moment. Extra curricular clubs have begun and music lessons are in full swing.

Christian Value

Thankfulness

Important Dates

Sat 24th Sept from 10am

DIY Day

Mon 25th Sept 2pm to 5.30pm

Parents Evening

Fri 30th Sept 9am

Macmillan Coffee Morning

**WE ARE
MACMILLAN.
CANCER SUPPORT**

The new reception children have completed their baseline assessment and Class 2 found a mysterious dinosaur egg yesterday as their topic on dinosaurs begins in earnest. Class 3 are settling into the lifestyle of Brazil, post Olympics.

Year 6 also began their activities slot by preparing the garden for forest school activities. Mrs Eccles would be very grateful to anyone who could give us some large tree trunks to make a circle of seats in the garden. If you are able to help, please speak to Mrs Eccles.

You can find out more information on Monday when we pioneer our parents evening which begins after lunch. Any feedback would be gratefully received.
