

Dear Parents

After the dreadful atrocities in Manchester this week the school observed a respectful and valuable minutes silence to remember those who lost their lives. It was another important moment for the school to come together as one and take part in the wider world from our idyllic village.

It was lovely to see Mrs Eccles in school today as she recovers from her operation. She is keen to be back but it may be another couple of weeks!

As we complete another term it has yet again been a great success, mixed with school trips and events combined with examinations and hard work. Your child's grades will be sent home today, the last of the year, which will reflect the effort and attainment of the term's work; a fuller report will be sent home at the end of next term. Next term begins on Monday 5th June and will conclude on Monday 25th July, the Christian Value will be Truthfulness.

This week we welcomed candidates for the new Key Stage 2 teaching role. We were inundated with applications and we interviewed three outstanding applicants on Wednesday.

We are thrilled to have appointed a class teacher and I will convey further information as soon as I can.

Our new web site has gone live:

The template, which was chosen by school council, certainly brings a modern feel. The pictures and information will be updated in the very near future.

Raffle tickets are being sent home today in book bags. Please sell as many as you can to family, friends and neighbours over the half-term break.

Please send your sold ticket stubs, money and any unsold tickets to Miss Chowdhury in the school office. Miss Chowdhury also has more tickets if you need them. Thank you.

Swimming

Swimming starts again for Class 1 on the first Monday after half term (5th June). Please ensure your child brings their swimming kit to school with them.

Sun Hats and Sun Cream

As Summer finally seems to have arrived, please can you ensure your child comes to school wearing sun cream and has a sun hat with them. They should also make sure they have plenty of water to drink throughout the day.

Please find attached next term's calendar. This is not an exhaustive list but a guide to help with important planning.
